Subject: FW: Responses to Additional Comments on the Draft Evaluation of the Impact of Dredging and CAD Cell Disposal on Air Quality

Hi Dave,

Please find attached the acceptance of the ERDC comments. Thanks for your comments and we will incorporate them into the latest version of the document. The only reviewer that needs to sign off on the document is Larry Cain and

Mark has been working with Larry on the responses to his comments. I do not see a problem with getting this document out by the end of the week.

Thanks,

Steve

I have reviewed Jacobs Engineering's responses to my comments and found that they have addressed all of my comments satisfactorily. I do not have any additional comments.

Paul Schroeder

All

Please see the email below from Jacobs Engineering regarding the Draft Evaluation of the Impact of Dredging and CAD Cell Disposal on Air Quality. Please review the attached as appropriate with respect to your review, and let me know if you have any additional comments, require any clarification, or simply approve of the responses/changes.

If you have any questions, don't hesitate to contact me.

Thanks

Mark
